

10th Indian International Conference on Air Quality Management

IICAQM 2025

Measurement, Modelling, Health Risk and
Public Policy

IIT Delhi, Delhi
15 - 19 December 2025

The Indian International Conference on Air Quality Management (IICAQM) serves as a very important forum and opportunity for scientists, engineers, educators, and practitioners to exchange the latest advancements in theories, technologies, and applications in the area of air quality management and health impacts.

The 1st (IICAQM 2016), 3rd (IICAQM 2018), and 7th (IICAQM 2022) conferences were held at IIT Madras, the 2nd (IICAQM 2017) at IIT Delhi, the 4th (IICAQM 2019) at IIT Bombay, the 5th (IICAQM 2020) was hosted online by IIT Madras, the 6th (IICAQM 2021) was hosted in hybrid mode by IIT Guwahati and IIT Madras. The 8th (IICAQM 2023) was held at IISc Bangalore. The 9th (IICAQM 2024) was hosted offline by IIT Madras.

10th IICAQM 2025 aims to bring together leading academicians, scientists, engineers, and research scholars to exchange and share their experiences and research results related to all aspects of air pollution health and exposure assessment and its management.
